THere's no substitute for the natural beauty of wood.
With A Wood Combination Door, You Have Choices.
The Easy-Change Door is timeless. No matter what style of home you have, there is an Easy-Change Door that will capture its beauty. Our large selection of designer grille inserts can also add distinction to your home.

And The Difference Is Forever.
An Easy-Change Door means true craftsmanship. Each door is handmade of solid wood and engineered components, which means your door is one of a kind that’s going to endure time. Made from the natural beauty of wood, an Easy-Change Door is handcrafted with precision and pride.

Customize Your Door.
Easy-Change Doors are handmade; therefore, we can offer customized doors that reflect the individual beauty of your home. With all of the planning and care that goes into building or restoring a home, we can offer specialty doors that match your specifications. And once you have your door home, don’t forget about colors. While aluminum doors are only available in basic colors, Easy-Change Doors made from natural wood allow endless choices in both paint and stain.

Increase The Value Of Your Home.
The Easy-Change Door is an easy way to increase the value of your home without significant cost. Secure and energy efficient, an Easy-Change Door adds a natural look of elegance and beauty. They’re also durable, meaning you can restore any sign of wear and tear, unlike aluminum doors.

Easy Change.
Easy-Change locking devices lock storm and screen inserts in place. Now, a tight, rattle-free weather seal only requires a simple flick of your wrist.

Final Touches.
Quality doors deserve quality hardware. The Deluxe Hardware and Premium Hardware Kits include only the finest components. Lockset and hinge colors are available in brass, black and satin aluminum. The kits are also easy to install and feature special tips on finishing.

Easy-Change
WOOD COMBINATION doors

Let the summer breezes flow through or the autumn sunshine warm your three season porch.

Versatile Doors.

Easy-Change wood combination doors provide the flexibility of quick changing storm and screen door inserts. Quit swatting flies and mosquitoes and turn that deck into a usable room.

Unlike metal doors, the wood construction gives you the freedom to finish your 3 season room in any range of colors to fit your decor. Choose from a wide range of door and grille designs. Whether you have an 1800 period Cape Cod or rustic lake home there is a design to complement your home.

Founded in 1912, The Combination Door Company knows the “ins and outs” of the storm door business.

Please check our website at www.combinationdoor.com for suggested stationary applications.
