[we make it better]

Premium Storm Doors | www.LARSONdoors.com

Choose the right storm door for your home.

Your door says a lot about what you value. That's why LARSON® storm doors are built to protect what matters most.

Protect your exterior door from bad weather, provide ventilation, and let in light at the same time!

LARSON is known for innovation; from hidden closers that enhance the inside-out view to retractable screens that allow ventilation any time, we're always keeping YOUR home in mind.

Install it yourself.

The LARSON® EasyHang Installation System makes installation easy.

The EasyHang installation system includes one-step hanging with pre-drilled placement holes, adjustable height for an exact fit, and Reversa-Hinge for right or left mounting. The easy-to-follow instructions keep it simple.

Consider Low-E High Performance Glass

- Provides 24% better insulation than clear glass
- Home stays warmer in the winter, cooler in the summer
- Protects entry door from UV rays that cause fading

Full Glass

Glass and screen interchange for seasonal ventilation.

Venting

Screen and glass integrated within the door so no extra storage is needed.

Magnetic Weatherstrip

Weatherstrip that seals like a refrigerator.

DuraTech®

Surface over solid wood core for age/weather resistance.

Retractable Screens

Screen disappears in top cassette when not in use for venting any time.

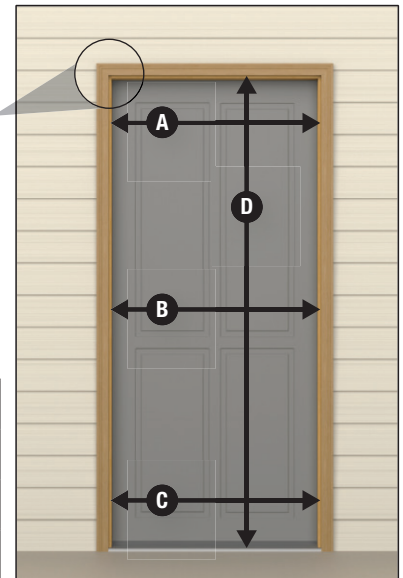

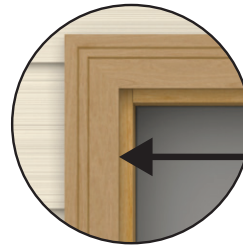

Storm Door Ordering

Storm Door Measuring

Using the diagram at right as a guide, measure the opening width (horizontally) as shown. Take three measurements, one across the top, middle and bottom of the door. Take the measurement of the height of the door. Record the narrowest dimension.

Determine which mounting application will be used: Platinum Collection Surface Mount or EasyHang® Recess Mount.

RECORD MEASUREMENTS

A	WIDTH
B	WIDTH
C	WIDTH
D	HEIGHT

RECESS MOUNT (standard)

The rails mount inside the opening and require a 1" wide by 1" deep mounting surface.

NOTE: construction styles may vary.

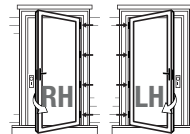

Universal Hinging
Allows for left-hinge or right-hinge installation.

Platinum COLLECTION SURFACE MOUNT

The rails mount directly to the face of the exterior brickmold and require a 3/4" wide mounting surface.

NOTE: construction styles may vary.

Pre-Hinged for Effortless Installation
Select LH (left-hinge) or RH (right-hinge) as viewed from outside.

Specify When Ordering:

1. Model number
2. Color
3. Opening size required: width x height
3. Platinum hinge side (LH or RH)
4. EasyHang universal hinge

DOOR OPENING	MIN. WIDTH	MAX. WIDTH	MIN. HEIGHT	MAX. HEIGHT
30" x 81"	29-7/8"	30-3/8"	80"	81"
32" x 81"	31-7/8"	32-3/8"		
34" x 81"	33-7/8"	34-3/8"		
36" x 81"	35-7/8"	36-3/8"	84"	85"
32" x 85"	31-7/8"	32-3/8"		
34" x 85"	33-7/8"	34-3/8"		
36" x 85"	35-7/8"	36-3/8"	74-1/2"	75-1/2"
32" x 75"	31-7/8"	32-3/8"		
30" x 75"	29-7/8"	30-3/8"		

NOTE: Standard size availability varies by model.

Custom size doors are made to fit opening size ordered. Once placed, custom orders cannot be canceled. Shims may be required in certain installation applications.

Find the style that fits your home.

Fullview

Many fullview doors come with a full screen that interchanges with the glass. Both options allow you to showcase your primary door.

Retractable Screen

The retractable screen disappears into the top cassette when not in use. Screen Away® offers the beauty of a clear view with the convenience of ventilation.

Multi-Vent®

Choose from top or bottom ventilation or both by easily adjusting the glass panels. You control the breeze for maximum comfort.

Single-Vent

Half screen allows for bottom ventilation. The window and screen are part of the door so there is no need to store the screen or glass.

Reversa Screen

Half screen reverses for top or bottom ventilation. The window and screen are part of the door so there is no need to store the screen or glass.

Screen Door

Tear-resistant WearTuff™ full screen is kid and pet-friendly and 3X stronger than regular screens.

Fullview Storm Doors

LARSON Fullview doors offer style and sophistication. The full glass feature allows maximum light into the home and enhances any entrance. Fullview models include an interchangeable screen that allows you to change to full screen for optimum ventilation.

Retractable Screens

LARSON® Screen Products are designed to fit most existing door or window applications for the patio, garage, gazebo and front door. In addition to providing instant ventilation, retractable screens offer protection from airborne pests, harsh UV Rays, and enthusiastic pets. Available in trending colors and styles to complement your home.

Brisa Retractable Screen Door

Brisa Retractable Screen Doors offer a fresh approach to maximizing fresh air. Brisa features a smart, contemporary design with an ergonomic and intuitive function latch for smooth operation.

- Quick-snap track requires no cutting (standard sizes)
- Durable rust-free aluminum housing and track
- EZ-Glide System™ for steady and smooth operation
- Subtle stripes prevent walk-throughs
- Ergonomically designed latch/lock handle offers simple and secure one-hand operation

Escape Retractable Screen Door

This dependable retractable screen is designed for recess or surface-mount installations. Featuring slam-proof hydraulic breaking and easy removal for seasonal storage.

- Self-adjusting to fit uneven openings
- Quiet, easy operation with smooth glide track
- Fully assembled, no cut cassette is easy to install yourself
- Die cast metal handle
- Durable mesh screen resists tearing
- Recess or surface installation

Inspire Retractable Screen Door

This elegant pleated retractable screen moves with a gentle touch and removes easily for seasonal storage.

- Self-adjusting to fit uneven openings
- Powder-coated frame is attractive and durable
- Fully assembled no-cut cassette
- Die-cast metal handle
- Wheelchair accessible with flat bottom
- Large openings and multi-panel units available
- Recess installation. Surface Mount Kit required for surface installation

Screens to fit every opening.

Retractable Motorized Screen

Enjoy the outdoors in comfort with the Larson Retractable Motorized Screen. Protect against insects, debris, sun, heat and wind with a selection of five purpose-built screens that fully retract for an unobstructed view.

- Insect Screens, Solar and Privacy Screens and Vinyl Screens available on select sizes
- Pre-assembled for fast and easy installation
- Recess or surface mount installation

Retractable Wall Screen

The ideal screen solution for bi-folding, lift-n-slide and other large opening doors and windows. The Retractable Wall Screen is custom designed to fit openings up to 315" (26-1/4') wide and 118" (nearly 10') high.

- Elegant pleated screen fabric
- Single screen panel can open from either end. Double screen includes two screen panels that meet in the middle
- Easy, touch of a finger operation with anywhere positions
- Pre-assembled for fast and easy installation
- Recess installation only

NatureVue Retractable Screen Window

This pull-down retractable screen is designed for recess or surface-mount installations and fits most windows. Featuring a unique speed reducer to provide controlled retraction.

- BetterVue™ low visibility screen
- Screen expands upon impact for safety
- Thick insect piling keeps bugs out
- Durable powder-coated finish
- Recess or surface installation
