

Introducing!

Lemieux Interior Pine Doors!

Traditional Beauty

BROSCO is pleased to announce the addition of Lemieux White Pine Interior Doors to our already extensive collection of stock interior doors. Along with their custom capabilities, Lemieux has long been a reliable supplier of some of BROSCO's stock Prime, French and B-108 Pine Panel Doors.

Those who have a definite preference for the look and feel of pine can find the answer in Lemieux's range of interior pine doors! Traditional and timeless, they're designed to fit seamlessly into any décor.

- Panel, French, Louver & BiFold Doors
- Quality Craftsmanship
- 9/16" Solid Wood Raised Panel
- Traditional Door Layout
- White Pine Specie
- 3 Week Special Order Program
