## OFFERING THE NEWEST LINE OF CONTEMPORARY FIBERGLASS EXTERIOR DOORS

The Studio™ Collection puts a unique spin on the modern door by integrating true accent details into smooth surface fiberglass panels. Each pattern is precisely crafted to exacting standards that offer clean, crisp and sharp lines. Whether you are looking for a door that will showcase the home or complement the overall style, the Studio Collection brings a fresh approach to the market that highlights today's hottest trends.

## EXPRESS YOURSELF WITH FIVE MODERN, ROBUST FIBERGLASS DOOR STYLES

### EXTERIOR DOORS

SPS130

SPS220

SPS230

SPS300

SPS600

- Width: 2'6" to 3'0"
- Height: 6'8" and 7'0"

Standard hinge location on line side with the exception of SPS220.

The Studio™ Collection is available in five contemporary styles, each one as unique as the home itself. All panels come ready to paint with one very unique, definitive feature. The two-tone shadow will be preserved regardless of the color you choose, while the engraved pattern can easily be painted for a truly eye-popping look.

### FEATURES

- Durable, low-maintenance fiberglass resists denting and scratching
- Composite rails and capped stiles repel moisture
- Affordable, long-lasting and energy-efficient choice
- Available options in 20-minute fire and impact ratings
- Doors arrive primed and ready to paint
- Lifetime Limited Warranty

Prefinishing options available.
