

A Touch of Elegance

Atlantic Premium Shutters offer a broad choice of styles that are architecturally and historically accurate - from classically traditional to uncommonly elegant to boldly adventurous.

Architectural Collection

The Architectural Collection is comprised of the building industry's best performing, most picturesque shutters. The passion for beautiful homes is combined with advanced engineering and uncompromising attention to detail to offer custom sized shutters that meet your every need.

- Available in Raised Panel, Louver Colonial, Combination & Bahama
- Maintenance-Free Material
- Mortise & Tenon Joinery
- Built without Mechanical Fasteners
- Will Not Crack, Split, Rot or Bend
- Thickness: Raised Panel 1", others 1-1/4"
- Exclusive Four-Part Finishing Process
- 31 Standard Colors & Custom Colors Available

Classic Collection

The Classic Collection's innovative construction delivers maintenance-free beauty. Each shutter is hand-assembled and individually built, then hand-sanded to ensure a smooth finish. They're exclusively crafted with proprietary composite wood making them moisture, rot and termite resistant.

- Available in Raised Panel, Faux Louver & Board and Batten
- Custom Sized
- Will not Crack, Split, Rot or Bend
- Thickness: 1"
- Matte Black Stainless Steel Hardware Available
- Exclusive Four-Part Finishing Process
- 31 Standard Colors & Custom Colors Available

ProSeries

ProSeries Shutters are hand-assembled to provide design details on the front and back of each shutter. The use of exterior-grade composite wood component parts ensure that all corner joints are true and square. These primed shutters can be installed in a fixed or operable application.

- Available in Raised Panel, Flat Panel, Louver & Board and Batten
- Will Not Rot, Warp, Crack or Split
- Tongue & Groove Construction with Specially Formulated Adhesives
- Primed
- **In Stock**

Premium Shutters®

Traditional Hardware

Architecturally Correct & Historically Accurate

Our hardware is a small detail that speaks volumes to the attentive style of a home. An ornament in themselves, they evoke the craftsmanship of a blacksmith forging clean, elegantly simple architectural elements.

Providing full utility, our durable hardware is forged from 304 series stainless steel with a matte black, powder coat finish.
