

# ScreenRail

Westbury ScreenRail allows you to enjoy your outdoor living space without the insects. With a Limited Lifetime Warranty and a virtually maintenance free powder coating, ScreenRail is a premium system designed to keep you outdoors without being "bugged" by insects.

- Structural Screen Railing System
- Heights: 36", 42"
- Lengths: 4', 6', 8'
- Easy to Assemble
- Available in 12 Standard AAMA 2604 Colors
- Limited Lifetime Warranty

## Powder Coating Colors

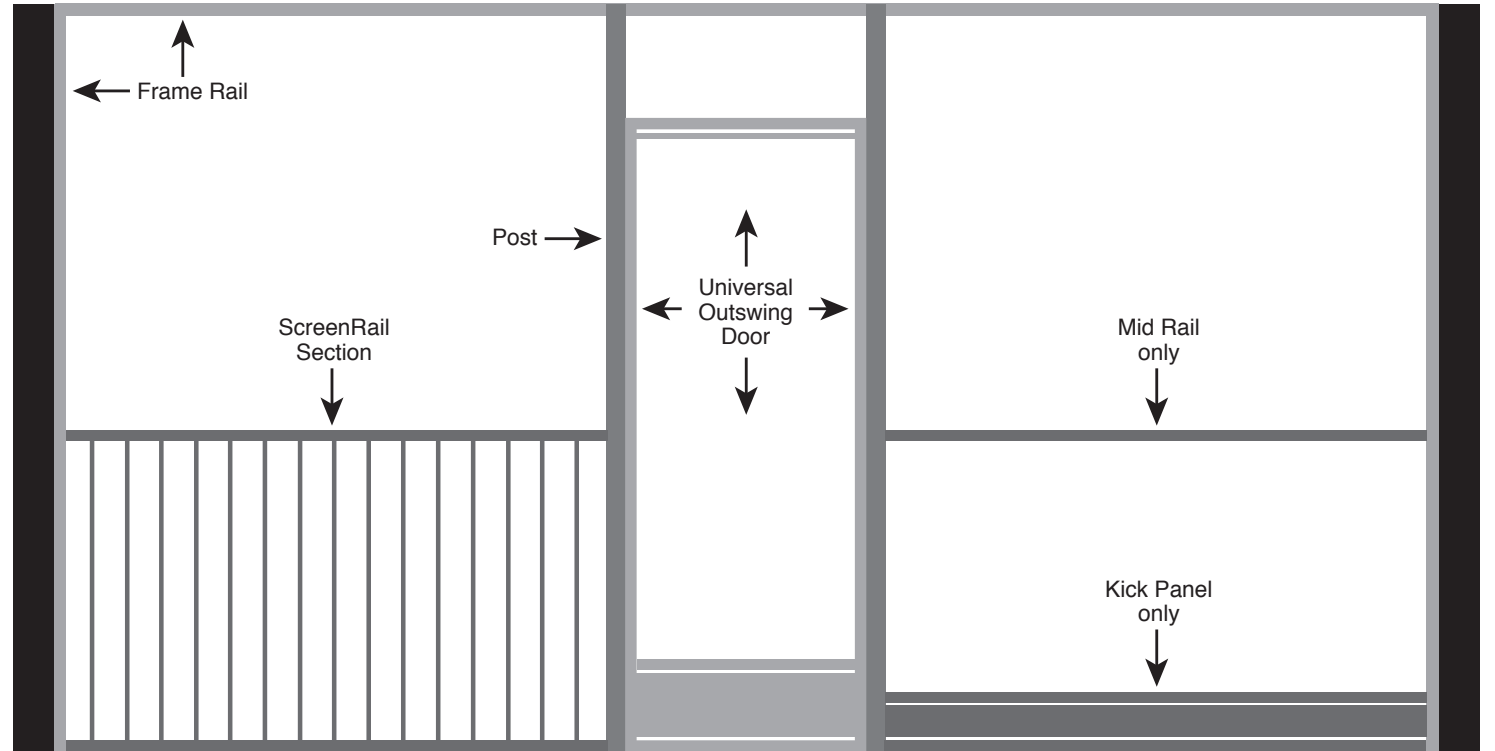

Colors shown are for representation only. Please consult actual samples for accurate powder coating colors.

# How To Order

ScreenRail features the option of either a structural balcony/railing system, a heavy-duty kick panel system or a mid rail system. Features include easy to assemble sections, assembled universal door (right or left hand hinge) with heavy-duty frame, and durable flat spline to secure the screen.

## How to Order:

### 1 Determine Framework

- Frame Rails (8'-6" or 12'-0")
