3-1/2"

2-3/4"

*Lifetime Limited
Warranty*

Fine craftsmanship designed to complement your home & budget.

Nothing adds distinction and definition to homes and outdoor living spaces like a stylish exterior railing. Both beautiful and functional, a deck or exterior railing can be stunningly elegant, classically simple or designed as a wrap-around with real curve appeal. Cellular PVC railings are a great choice for your railing system and Liberty Routed Stair Rail system makes installation easy!

- Matte Finish – 100% Extruded Cellular
- PVC with Aluminum Reinforced Core
- Pre-routed for Easy Assembly
- Hidden Stainless Steel Fasteners
- 1-1/4" Square Edge Balusters and Square Edge Posts
- Spans up to 10' IBC Level Application
- Spans up to 10' IRC Stair Application
- Patented Liberty Stair Rail System easily accommodates 18° to 40° angles with a single drop-together assembly.
- Does not require paint, but can be painted
