Privacy Level Scale

Blanca Silk Screened Glass

Offering a high level of privacy and an understated backdrop, Blanca has a frosted, slightly stippled surface. Available in Clear or Low-E glass. Textured surface enclosed in glass.

Cumulus Textured Glass

Whether soft wisps of clouds or a 30,000-foot view of mountainous terrain, Cumulus takes a view from afar and brings it down to earth in your entryway door. Offers a high privacy level. Textured surface exposed to the inside of the home.

Geo-Tex Textured Glass

Geo-Tex's highly textured, geometric pattern is reminiscent of the pottery of Native Americans or weavings found in Moroccan markets. It has a strong symmetrical appearance and high level of privacy for your entryway. Textured surface exposed to the inside of the home.

Linen Acid Etched Glass

Linen's lightly etched glass and woven pattern complement casual or formal entryway designs. The translucent white glass and soft moiré of Linen's threads give it a high privacy level. Textured surface exposed to the inside of the home.

Micro-Granite Textured Glass

Just as its name implies, Micro-Granite blends texture and pattern to create a surface reminiscent of small textured polished pebbles. It provides a high level of privacy. Textured surface enclosed in glass.

Mosaic Textured Glass

Mosaic finds inspiration in the cobblestone streets of historic villages and the soft reflections of a stony streambed. The result is an angular, subtle pattern of light. Textured surface exposed to the inside of the home.

Rain Textured Glass

Rain features a vertical pattern and textured surface that create the illusion of rain trickling down a window. It offers a high level of privacy. Textured surface enclosed in glass.

Streamed Textured Glass

The pronounced vertical pattern and strong ribbed texture of Streamed creates the illusion of the organic flow of water in your entryway. Textured surface exposed to the inside of the home.

Vapor Textured Glass

Reminiscent of Northern Lights, Vapor creates an ethereal play of light and shadow and a medium level of privacy for your entryway. Textured surface exposed to the inside of the home.
