

CONTEMPORARY DOOR DESIGNS

Take your home to the next level with contemporary designs inspired by JELD-WEN Doors. These unique fiberglass doors are modern and energy efficient. The stark, clean lines of the Contemporary doors will enhance the curb appeal of any home. The innovative and smart design will create architecture that breaks with past traditions, styles and standards.

door layouts.

CONTEMPORARY DOOR DESIGNS

Contemporary literally means “of the moment.” At its roots, contemporary design embraces straight lines, expansive glass and natural elements — influences that make contemporary door designs both simple and stunning.

ARCHITECTURAL SMOOTH EDGE

A door to delight the modernist. Clean, clear lines and a focus on direct set glass define the Contemporary Smooth Edge door. Where details are minimal, they matter even more.

- True Square-Edge Design
- Clear and Satin-Etched Glass
- Available Sizes:
3'-0" x 6'-8" & 7'-0"
- Lifetime Limited Warranty
