

## **DOOR AND WINDOW ASSEMBLERS:**

### **Summary:**

The Shop Production Worker plays a vital role in the manufacturing process at BROSCO. This position requires you to aid in the production process wherever necessary to achieve the production goals of the company. There are currently four main departments within our production shop.

- Interior Door Department
- Exterior Door Department
- PreFinish Door Department (Hatfield Only)
- BROSCO Double Hung Window Department (Hatfield Only)
- Commercial Department (Portland Only)

In this position, you will assist in the manufacturing of doors and/or windows. You will report to the department supervisor, or team leader. Regardless of the department you are originally assigned, our goal is to give you the tools and training to succeed in all departments. Cross training is a fundamental core value at BROSCO and your willingness to strive for interdepartmental knowledge is essential.

### **Qualifications:**

- Experience with basic carpentry and measurement tools.
- Basic Math Skills.
- Mechanically inclined, machine operator experience preferred but not required.
- Problem solving skills.
- Able to work in a team environment.
- Demonstrated ability to read a tape measure and be able to add, subtract, multiply, and divide all units of measure, using whole numbers, common fractions, and decimals.
- Have reliable means of transportation to and from the plant.
