MILLWORK SOLUTIONS

Introducing Black, Round Aluminum Balusters for Liberty Rail Sets!

Enjoy a Clean, Modern Look!

- Available for 6ft and 8ft level rail and stair rail
- Available in 36" and 42" rail heights
- Soft launch ordering is a la carte; you must order the proper Black Baluster Pack(s) in addition to the Rail Set(s) you order
- Liberty Rail with Black Baluster full kit offering coming July 2022!
- Same pre-routed, easy assembly you know and love from traditional Liberty Rail applications!

Technical Information

- Uses existing RS60 Liberty profiles, with common rail routed for 3/4" diameter INTEX Black, Round Aluminum Balusters
- Bracketry and fasteners remain the same as traditional Liberty Rail
- 3/4" diameter aluminum balusters (black only)
- Level Rail routed with round holes
- Stair Rail routed with angled, elliptical holes (Stair Rail holes are only angled in one direction, unlike square baluster rake rail)
