

# ECLISSE® Classic Collection Pocket Door Frames

ECLISSE Pocket Door Frames offer a complete pocket door system - galvanized steel frame kit with patented removable track so you never have to break drywall again making potential future maintenance a far less costly and a much quicker task.

- 1<sup>3</sup>/<sub>8</sub>" or 1<sup>3</sup>/<sub>4</sub>" Doors
- 220 Lbs. Door Weight
- Galvanized Steel Frame
- Patented Removable Track
- Pre-drilled Horizontal Bars
- Easy Assembly
- Door Guide Built into Frame
- Ball Bearing Guide
- 12-Year Warranty

Functionality and Elegance in Compact Spaces

Why should you choose an ECLISSE frame kit?

The ECLISSE galvanized steel frame kit for stud walls consists of horizontal bars and vertical reinforced bars, closed at the top by a header, where the track is installed. The result is a sturdy and reliable structure.
