

BROSCO Built Center Hinged Patio Units featuring JELD-WEN Doors

BROSCO's center hinged Patio Door system is built utilizing quality BROSCO frames including the Rite Screen 144EXT sliding Patio Screen and Young sill. BROSCO Built Patio units provide a clear, unobstructed view allowing for more daylight in the home. Let the light in and keep the weather out no matter where the door leads.

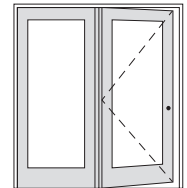

Standard Features:

- Primed Frame with Primed Brickmould - Inswing
- Full Frame - 4-9/16" or 6-9/16" Wall
- Mill Finish Aluminum Adjustable Sill Only
- Screen - White Frame, Charcoal Fiberglass Mesh, Black Inset Locking Handle, Top & Bottom Tracks
- Zinc Dichromate Hinges (3)
- Bore for Lockset
