## **Blanca (BLC)**

Privacy Rating: 9

Offering a high level of privacy and an understated backdrop, Blanca has a frosted, slightly stippled surface. Textured surface enclosed in glass.

## **Chinchilla (CHA)**

Privacy Rating: 9

Chinchilla's fine lines and organic, fur-like texture create a striking wave pattern when seen from afar. Textured surface exposed to the inside of the home.

## **Micro-Granite (MG)**

Privacy Rating: 9

Micro-Granite blends texture and pattern to create a surface reminiscent of small textured polished pebbles. It provides a high level of privacy.

## **Rain (RN)**

Privacy Rating: 9

Rain features a vertical pattern and textured surface that create the illusion of rain trickling down a window. It offers a high level of privacy.

## **Vapor (VPR)**

Privacy Rating: 6

Reminiscent of Northern Lights, Vapor creates an ethereal play of light and shadow and a medium level of privacy for your entryway.
