

# ARCHITECTURAL CONTEMPORARY DOOR DESIGNS

CUSTOM CAPABILITIES • ENDLESS POSSIBILITIES

## MODERN

JELD-WEN's Architectural Contemporary fiberglass doors are modern and energy efficient. The stark, clean lines of these doors will enhance the curb appeal of any home. The innovative and smart design will create architecture that breaks with past traditions, styles and standards.

## CONTEMPORARY INLAY CHERRY DOORS

This stunning door will add beauty and sophistication to the exterior of any contemporary home. Inspired by Spanish Colonial design, it features a clean, geometric pattern that captivates you from first glance and every glance thereafter.

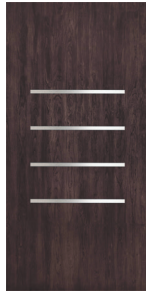

An unrivaled build quality paired with minimalist design make the C606 door the perfect choice for a contemporary styled home. The light, airy and visually modest appearance is accentuated by the clean lines of the black inlays. This door looks great in natural or dark stain colors.
