Hampton Rail (RS40)

An Economical Rail Solution with Performance Superior to Composite Railing

- Standard kits ship with solid 1 1/4" square-edge balusters
- Hampton Flat (RS40350F) is our most popular profile in a beverage-friendly detail!
- FSC Certified Mahogany Cap upgrade available for both Flat and Peaked Hampton profiles!
- Meets commercial requirements of International Building Code (IBC) and International Residential Code (IRC) for level spans up to 10 feet and stair spans up to 8 feet

Rail Assembly Jig

Our reusable rail assembly jig is designed specifically to help reduce installation times and labor cost. The Assembly Jig makes it easier to align, center and space balusters.
