

Horizontal Balusters

Create airflow to your porch or deck while maintaining the view!

- Achieve a more contemporary or modern design without the cost, labor, or maintenance of alternative horizontal infills
- Ships as trimmable kits at 6', 8', and 10' level sections only, for 36" or 42" high rail
- Fast & easy installation due to pre-routed, vertical stanchions and easily trimmable sizes that create custom fits
- Custom heights also available
- Stair rail application does not come pre-routed, requires technical installation
