Engineered to Out-Perform Wood, Polypropylene, Polyethylene & Aluminum Shutters!

- Built to custom sizes
- Available in 11 pre-finished colors!
- Stainless Steel, powder-coated hardware system available
- Paintable with a premium acrylic coating (including dark)
- Termite proof and will not rot or warp
- Louver and panel shutter styles

INTEX Shutters are Historically Accurate and Fully Operable

Each shutter component profile is an exact replica of shutters dating back to the early 1800's. These operable shutters are approved for Historic Restoration and offer an architectural detail that will not only enhance the value of your property, they will provide worry free lasting beauty!

Choose from 11 Pre-Finished Colors:

Swatch colors are digitally printed representations and may not be 100% accurate. Please request a paint swatch card from your INTEX Dealer! Shutters can be supplied unfinished to be painted with a Premium Acrylic Coating
