

BROSCO Flat Shaker Fiberglass Doors & Sidelights

Our Shaker door has a clean look with crisp edges, a style which emerged from an arts and crafts movement celebrating the craftsmanship and designs that complement nature with simple lines. This style is also a perfect design for direct glazed doors. That means we have an even greater selection to offer with our well-known insulated glass. It's a deft design approach that eliminates the doorglass frame and provides a clean look with more viewing area.
